Career Development Events, Leadership Development Events and Contests

Pennsylvania FFA Summer Convention: June 2018

Background Information: Since 1928, FFA has worked to create CDEs & LDE's that demonstrate the meaningful connections between classroom instruction and real-life scenarios. CDEs & LDE's build on what is learned in agricultural classes. Classroom instruction comes alive as students demonstrate their skills in a competitive setting. The events are designed to help prepare students for careers in agriculture. CDEs & LDE's test the abilities of individuals and teams in 35 major areas of agricultural instruction.
